

Blue Sunday Sunday, April 11, 2010

Blue Sunday is a child abuse prevention initiative developed in 1995 to incorporate the faith community in the battle against child abuse. Churches around the world participate by including a time of prayer during their services for the victims of child abuse. The blue ribbon is the international symbol for child abuse prevention. Blue was chosen to represent the battered and bruised bodies of the thousands of children who are abused everyday. On the second Sunday of April, Child Abuse Prevention Month, please pass out blue ribbons to remind your community to honor the precious gift of a child.

*Lord, thank you for our children
For them we kneel and pray.
Help us teach them of Your kindness
Of Your mercy and Your way.
Help us show them of Your love
Your strength and safety, too.
Help us show them who You are
Help us treat them like You do.
Let us pray, educate ourselves and volunteer
For the child or our nation
Until black and blue are just colors
In their crayon box.....Amen*
